

Reasonable Accommodation

WHO IS ELIGIBLE FOR REASONABLE ACCOMMODATION?

Any person having a disability who wishes to be excused from an otherwise applicable Land Use Regulatory Code requirement or someone acting on his or her behalf who can provide verifiable documentation of disability eligibility and the need for accommodation.

REVIEW PROCESS

Prior to Submittal of Request: A pre-submittal meeting with a Planner is strongly advised in order to research your property and clarify the process. Requests for reasonable accommodation are reviewed on a case by case basis. See the [Pre-Application Tip Sheet](#) for more information. Assistance for residential project inquiries can be provided at the Permit Counter without an appointment or payment of fees.

Submit Request for Reasonable Accommodation: Application documents will include a completed Land Use Application Form, a summary of the request, applicant's justification, site plan, floor plan(s), and exterior building elevations. See reverse for additional information regarding submittal documents and requirements.

Contact Person Established: Once the Reasonable Accommodation request is received, a Planner will be assigned to process the request and help answer any questions during the review of the request.

Planning Director Issues Decision: The Director (or Director's designee) is obligated to issue a decision on the request. Should the decision be approved, certain conditions may be attached to ensure the proposal is

compatible with the neighborhood, to carry out the goals of the Comprehensive Plan, and/or to provide compliance with the Land Use Regulatory Code. Conditions may include things such as: location and nature of the accommodation, duration and use of the accommodation, subsequent removal of structures, screening, fencing or landscaping necessary for the accommodation.

Land Use Decision Public Notice: A notice of the Director's decision will be mailed to all property owners/taxpayers located within 100 feet of the site where the accommodation is requested.

Appeal Period: A Request for Reconsideration may be filed or the Director's decision may be appealed to the Hearing Examiner within 14 days after the decision is issued.

Concomitant Zoning Agreement: The Director may require a Concomitant Zoning Agreement (CZA) be recorded with the Pierce County Assessor as a guarantee that certain conditions of approval are met. The City will be responsible for creating the CZA and will provide it to the applicant. The CZA must be recorded prior to issuance of Certificate of Occupancy or Certificate of Completion for the associated building permit.

Note: This Tip Sheet does not substitute for codes and regulations.

The applicant is responsible for compliance with all codes and regulations, whether or not described in this document.
